

REDIVIDER

A JOURNAL OF NEW LITERATURE AND ART

REDIVIDER, a journal of new literature and art, is run by the graduate students of the Writing, Literature, and Publishing Department at Emerson College in Boston. Published twice yearly, REDIVIDER features poetry, fiction, creative non-fiction, plays and art by, as well as interviews with and reviews of, established and emerging writers and artists from around the world.

Darkly comic yet cuttngly sad, accessible yet challenging, REDIVIDER aims to be as intriguing, offbeat, and compulsively readable as the personal ads. Intelligent and eclectic, our writers take risks. Unlike some other journals whose pieces seem to blur into a unified monotone, our magazine is polyvocal and compelling, so much so that we bet you'll read each issue cover to cover!
